Bishop McKnight's January Prayer: For those seeking employment; that through the intercession of St. Joseph the Worker, they may find dignified work in supporting themselves and their families.

Prayers Requested for Bob Deimeke, and his family. Bob is in the University Hospital and not doing well. They are not sure what is causing the problem.

The Women's Ministry of Jefferson City was established to help the women of our diocese connect with each other so that we can support each other in our spiritual journeys. We find inspiration and comfort in praying with each other, in talking with each other, and in sharing the stories of our faith journeys. Some of the women of our diocese have shared their stories in podcasts. These stories (diojeffcity.org/womens-ministry/reflections-from-within/) are from ordinary women doing the best they can to serve their families, their parishes, their communities and, above all, their God. Their experiences tell our story, too, about times of sorrow, challenges, hope, faith, love and joy. Each week, there will be a new podcast on this website. Let us go to our favorite resting places with our favorite beverages and spend some time with our sisters in Christ by listening to these podcasts.

Thank you: Ester's Pantry wishes to thank you for your recent donations and your continued support of Easter's Pantry. The compassion of you church body for the hungry, homeless and poor of our community truly is a blessing.
