**Stewardship Moment**

**Twenty-fifth Sunday in Ordinary Time  
September 19, 2021**

In today’s Gospel, we learn that the disciples of Jesus had been discussing among themselves who was the greatest. Jesus is about to turn their idea as well as our society’s idea of “greatness” upside down. He embraces a child and tries to help the Twelve understand that to be great is to be focused on something other than themselves. Jesus teaches that true “greatness” lies in being a good steward of those who are not great: welcoming one who is not viewed as great by our society’s standards, like the child, the innocent, the vulnerable, the suffering, those who are outside our comfortable circle of family, friends, companions and colleagues, those who need a welcome. Jesus redefines our notion of greatness. How do we define greatness? Is our notion of greatness consistent with the teachings of Jesus Christ?

***Bishop McKnight’s September prayer:*** For a greater appreciation for the gift of friendship; that bonds of friendship may strengthen our resolve to be a people of communion in divisive times.
