Stewardship Moment

Feast of the Holy Family

December 26, 2021

The ultimate aim of Saint Paul's Letter to the Colossians is to teach the community how to deepen its relationship with Christ Jesus. His list of virtues summarizes the ideals of communal stewardship: compassion, kindness, humility, gentleness, and patience. For Paul, practicing these virtues opens our hearts to Christ as individuals and as a worshipping community. This is how the Christian community ought to live. This is how its members should behave in their dealings with others, particularly with fellow believers. As we approach a new year, how might we embrace one of these virtues more fully in order to deepen our relationship with Jesus?

The Bishop's December prayer: For our children and youth: that the example of parents and other adults of the parish may foster a sense of openness to the Holy Spirit in their lives.

Thank you for your generous donations for the Adopt a Family project. We were able to provide for 6 families instead of one due to your overwhelming help. **And** to help with a monetary donation to Ester's Pantry to help purchase perishables. **THAT'S** what Christmas is about!
