Stewardship Moment
Second Sunday of Lent
March 13, 2022

In today’s second reading we learn that one of Saint Paul’s principles of Christian living is to watch and imitate other followers of Christ. There is a pattern for Christian living that Saint Paul wants others to discover and then imitate. This pattern includes a life of prayer, selflessness, sacrifice, and caring for others, including our family of faith. Good stewards choose their friends wisely. They cultivate friendships with other Christian stewards, spend time with them, observe how they live, ask questions about their faith and learn from them. Who are your friends? Are they good stewards of their faith? Are they those who can help you on your own journey of faith?

**The Bishop’s March prayer:** For the Universal Church; that her mission of salvation may be advanced in every place under the patronage of Saint Joseph.

**Fr. Mike’s Musings:** My dear parishioners, I wanted to share a couple things with you since we have moved into the great season of Lent. First, at Masses next weekend we will be including the Blood of Christ at Mass for those who choose to receive it. Next, at a recent Parish Council meeting we decided to use Lent as a time to reach out to inactive Catholics in our Parish. If you know of any such folks, please email their names, and addresses to me and I will reach out to them. My email is fathermike@toltoncatholic.org. I placed an ad in the Guard a couple of weeks ago inviting them to return to their faith. I will also place another ad right before Easter. As always, we are having the Stations of the Cross each Friday at 6:30pm, followed by a meal in the MPB prepared by a different organization of the parish. I am so blessed to be here and so excited to see our Church full again on weekends.

Love and prayers, Fr. Mike

**Lenten moment: How can we fast this week?** Give up screen time or a little sleep to go out and see the glory of God in the heavens. Walk in the dawn, bask in the sunset, or gaze up at the stars in the night sky. The sun is always glorious when there are a few clouds at dawn or dusk. So it is in our own lives. God’s glory is appreciated more when we face our own clouds on life’s road.
