Stewardship Moment

Palm Sunday of the Passion of the Lord

April 10, 2022

In the prelude to today’s great Passion Narrative, Saint Paul reminds us that we find our hope in the “emptiness” and “humility” of Christ Jesus; a life that led to the cross, but through the cross, to glory and exaltation. The way is not easy. Good stewards know that it requires a willingness to lay aside all rights of personal privilege; emptying ourselves in the service of others; embracing values different from the values of the world. It requires an understanding that to be “in Christ” means to be a servant because Christ came into the world, not as Lord but as servant. What crosses are we willing to carry? What worldly values we are willing to forego in order to share Christ’s glory?

The Bishop’s April prayer: For the opening of hearts and minds closed to the Good News of Christ’s Resurrection from the dead.

Lenten thought: The Passion of Our Lord involves so much going from place to place. Jesus goes to the Mount of Olives. Then he is arrested and led back and forth all through the night to the high priest, then to Pilate, then to Herod and then back to Pilate. Eventually, Jesus is led away to be crucified. All those sad and aching steps! How exhausted Jesus must have been.
